Third Party Administrator

Maintaining High Quality Services

Allied National is an administrative organization that works with major national insurance companies to provide quality benefit plans for employers and individuals since 1970. As a family-owned company, we take pride in our history of fast and friendly service to our customers. Our personal service sets us apart from the large, traditional companies in the industry.

Allied National is one of the nation's oldest and most experienced third-party administrators (TPA). We offer an array of services to agents, covered members and risk-bearing partners. Our services include regulatory compliance, medical underwriting, agent appointment processing, policy issue, premium billing and collection, customer service, claim processing, health care management, and actuarial support. We have an extensive portfolio of easy-to-sell and maintain products, along with product marketing services, complete agent support, and successful health care management efforts.

Pharmacy Benefit Manager

Southern Scripts simplifies the cost of pharmacy benefit management services. Our pricing structure is clear-cut with no hidden tactics. We do not "nickel and dime" clients with additional fees for essential components of good pharmacy benefit management including Drug Utilization Report, an attentive Customer Service Call Center, and Prior Authorization Programs.

- Straight-forward and clear-cut methodology is utilized in all of our pricing.
- We do not own a mail order facility, nor do we force mail order.
- All rebates are 100% accounted for and disclosed to the plan sponsor.
